

Watson Wyatt is the trusted business partner to the world's leading organizations on people and financial issues. Our client relationships, many spanning decades, define who we are. They are shaped by a deep understanding of our clients' needs, a collaborative working style and a firm-wide commitment to service excellence.

Our consultants bring fresh thinking to client issues, along with the experience and research to know what really works. They deliver practical, evidence-based solutions that are tailored to your organization's culture and goals.

With 7,000 associates in 32 countries, our global services include:

- Managing the cost and effectiveness of employee benefit programs
- Developing attraction, retention and reward strategies that help create competitive advantage
- Advising pension plan sponsors and other institutions on optimal investment strategies
- Providing strategic and financial advice to insurance and financial services companies
- Delivering related technology, outsourcing and data services
